Special Thanks...

To our staff & volunteers:

Our staff & volunteers keep us organized backstage, create props, alter costumes, find that one dance shoe that always seems to disappear right before it's time to go onstage, hairspray pesky bangs, perfect last-minute lipstick fiascos, and much more! Thank you for dedicating your time and energy to make each show run smoothly & create the best environment for our students to shine!

To our Costume Extraordinaire:

A round of applause to Mrs. Susan Malloy for all her hard and tedious work altering & "adding to" costumes—you have made our girls look magical and feel beautiful year after year! Thank you for sharing your talents in the areas we need them most!

To our dance moms, dads, grandparents, siblings, and friends:
Thank you for your dedication to our program and your child's dance education! We know some days feel like a mad dash to make it on time, dance shoes aren't the most affordable footwear, and weekend rehearsals are not the most convenient; but from the bottom of our hearts, we thank you! You are providing your dancer skills that will help them navigate through life. We are truly thankful for each and every one of our students—and their families—immensely!

To our dancers:

You are so special! We are very proud of the work you have put in each week to improve technique and perfect your choreography, and we love watching you shine on stage—and in the classroom.

Keep working and smiling! We love you!
